PRESS RELEASE BY KEITH SCHEMBRI, CHIEF OF STAFF AT THE OFFICE OF THE PRIME MINISTER

17 Black and MacBridge were included in draft business plans for my business group as potential clients.

My companies make dozens of business plans such as these. However, it is a fact that neither 17 Black nor MacBridge ever became clients of my business group, and no transactions were ever recorded with these companies, or with me personally.

I have no knowledge of the transfers referred to, nor any knowledge of the alleged payment.
